We are a direct lender that specializes in financing owner operators and small fleets. We provide competitive lease and loan solutions to credit worthy and less than credit worthy customers.

The American Bank Leasing team will always treat your customers with the utmost professionalism, courtesy and respect. Documents are always prepared quickly so your transaction closings will not be delayed.

CARRIERS

American Bank Leasing offers two main programs to large trucking companies:

LEASE-PURCHASE PROGRAM

We are a leader in creating non-recourse lease-purchase programs for carriers that agree to make weekly payments from driver settlements.

Reduce recruiting expenses and increase driver retention while avoiding the cost and hassle of creating an in-house program.

Our dealer network can also provide reliable late model trucks if needed.

FLEET SALES FINANCING PROGRAM

American Bank Leasing offers competitive financing programs to help carriers sell their existing truck inventory.

Sell more trucks faster by partnering with American Bank Leasing to provide point of sale financing.

Offer a competitive solution for your creditworthy and less than creditworthy customers.

SMALL TICKET FOCUS

American Bank Leasing focuses on trucks and trailers with financed amounts from \$10,000 to \$250,000.

No tax returns or financial statements are needed for transactions up to \$150,000.

YOU PROVIDE:
